

After School Program with Transportation!

The Exceptional Foundation of West Tennessee (EFWT) enriches the lives of the developmentally challenged by meeting their social and recreational needs.

We provide a variety of different programs including after-school with transportation or without for those that do not need the ride service. Currently, EFWT picks up from the following schools, but we are always looking for more opportunities: Madonna Learning Center, Avon Lenox, Bouie Learning Center, Cordova High School & Germantown High School.

Join us for exciting activities in the after-noon. We are open until 6:00pm!

Call today to inquire about after-school services. Contact Jo Anne Fusco, Executive Director 901.387.5002 or joanne@efwtn.org
